EVENT CALENDAR

Issued: 1st February 2012

Thursday 2nd February from 20:00

Music Night : A non-radio night, a brief foray into the world of folk music with live demonstrations and explanations

Thursday 9th February from 20:00

Q1 Committee Meeting : A Committee Meeting held in the presence of the members to monitor the clubs performance and development

Thursday 16th February from 20:00

Social Networking Workshop : Following on from the introduction to Social Networking provided by Tom (M3TWJ), in this workshop Andy (G7KNA) and Tom (M3TWJ) will be on hand to assist with the setting up of TWITTER and similar accounts and configuring these to follow the clubs TWEETS on PC and mobile phones

Saturday 18th February from 10:00

Guides Thinking Day on the Air : Although we have no plans to take part in this event as a club this year, expect there to be greater than usual HF activity over this weekend. <http://www.guides-on-the-air.co.uk/>

Sunday 19th February from 10:00

Guides Thinking Day on the Air : See details for 18-01-2012

Thursday 23rd February from 20:00

Repeaters (Provisional Pending Confirmation) : An introduction to the establishment and operation of Internet Linked Repeaters by Matt Beasant G4RKY keeper of GB3FH GB3FI GB3ZB and GB3ZY.

Thursday 23rd February from 20:00

Open House and On the Air Night : A chance to welcome newcomers to the club, or for anyone interested to turn up and find out more about us. The shack will be open and members may use the HF/VHF/UHF equipment.
